The IAU Editorial Board

In order to strengthen the relation between the **IAU** and the **Editors of IAU Symposium and Colloquium Proceedings Series** and to provide a platform for communication, the **IAU EC** established, per 2004, an advisory **Editorial Board** for the **Series**.

Members of the IAU Editorial Board:

CHAIR IAU Assistant General Secretary

ADVISERS IAU General Secretary + three members appointed by the EC

WORKING MEMBERS all Chief-Editors of IAU Symposium and Colloquium Proceedings each year

The **IAU Editorial Board** serves as a communication and support platform for all **IAU Symposium and Colloquium Proceedings Editors**, where they can exchange experience and ask for advice, whenever necessary, in their efforts to ensure that:

- all papers published in the **Proceedings** are of high quality, and
- the **Proceedings** are being published within six months after the event.
