What is ORCID?

ORCID = Open Researcher and Contributor ID

- ORCID is an open, not-for-profit organization run by and for the research community.

- ORCID provides you with a unique identifier, your ORCID iD, that reliably and clearly connects you with your research contributions, activities and affiliations.

  0000-0002-4911-133X
ORCID iDs play a vital role in enabling digital identity on a global scale.

Why use ORCID?
Why use ORCID?

- **Saves** you **time** – “enter once, re-use often”
- Improves **recognition** and **discoverability**
- Your lifelong digital name (**persistent**)
- Enables you to **comply** with organizations that require ORCID iD
- More and more systems you already use are **connected**
