

February 3, 1998

Dear

We are pleased to inform you that the LISA III Scientific Organizing Committee will be able to offer you the amount of

US\$

in order to facilitate your attendance at the conference. You will receive US\$ in advance, the remaining amount will be paid to you by the organizers upon your arrival and registration at the conference. If you have funding from other sources and therefore are not dependent on support from the conference organizers, we would be very pleased if you could let us know at your earliest convenience as the conference budget is very tight.

Please note that all conference attendees, including invited speakers, will be required to pay the registration fee of 16.500 ptas (= ~ US\$115). This fee is to defray meeting costs and the proceedings publication which will be sent at no additional charge to all attendees.

Information about hotels in Puerto de la Cruz can be found on the LISA Web pages at

<http://www.iac.es/biblio/lisa>

Conference and hotel registration forms as well as an events booking form and a payment sheet are available at

<http://www.iac.es/biblio/lisa/register.html>

Be sure to fill out all forms. The hotel registration form should be printed, filled out, and faxed; the fax number is on the form.

For your information, the final program will be e-mailed to you in the next few weeks.

As you may know, the conference proceedings will be published on paper in the ASP Conference Proceedings Series as well as in electronic format on the World Wide Web. Within the next few weeks, the editors will contact you regarding instructions for submitting the full text of your paper for inclusion in the proceedings.

In order to prepare the abstracts booklet that will be issued to participants, we kindly ask you send us an abstract of your presentation before March 31, 1998 if you have not already done so.

Should you have any further questions, please don't hesitate to contact the organizers at [lisa3@iac.es](mailto:lisa3@iac.es) or one of the undersigned.

We are looking forward to seeing you at Tenerife in April!

Yours sincerely,

Uta Grothkopf (esolib@eso.org)
