Rule 1 – Composition

1. The Users Committee is composed of one delegate from each of the ESO Member States and one from Chile. The delegates shall be active research astronomers experienced in the use of ESO observing facilities.

2. Delegates to the Users Committee shall be appointed by the Director General for a non-renewable term of three years in accordance with the following procedure:

2.1 The Director General shall notify the competent national authorities of each Member State and Chile in writing of the need to appoint a delegate at least six months before the expiration of the term of the current delegate. The competent national authorities are:

   a) the ESO members of Council in the case of the Member States,
   
   b) the national Chilean ESO Committee in the case of Chile.

2.2 Upon request from ESO, the competent national authorities shall provide to the Director General the names and curricula of three suitable candidates, who shall be affiliated with national institutes of the proposing Member State or Chile. The delegate shall be appointed by the Director General from amongst those three candidates. Should the Director General consider that none of the proposed candidates is suitable, the names and curricula of alternative candidates will be requested to the competent national authorities. The Director General shall communicate the appointment to the competent national authorities in writing no later than three months before the expiration of the term of the current delegate.

3. If an exceptional circumstance prevents a delegate from attending a meeting, (s)he may be represented by an alternate for the meeting concerned. The Director General shall be informed thereof in writing not later than two weeks before the meeting concerned by the competent national authorities, who shall propose an alternate. The Director General shall communicate to the competent national authorities her/his acceptance, or not, of the proposed alternate. The alternate shall hold full delegate’s rights unless otherwise stated in the written notification. The Director General shall inform the Chair of the Users Committee thereof.
4. For the purpose of these Rules, “members of the Users Committee” refers to the Chair of the Users Committee and the delegations. A “delegation” is composed of the delegate of a Member State or her/his alternate.

5. No remunerated member of the personnel of the Organisation may act as a delegate or an alternate to the Users Committee.

Rule 2 – Chair and Vice-Chair of the Users Committee

1.1 The Users Committee shall elect from among its members a Chair and a Vice-Chair, who shall hold office for one year and may be re-elected twice for a further year.

1.2 The election of the Users Committee Chair and Vice-Chair shall take place in closed session during its annual meeting.

1.3 The names of the Chair and Vice-Chair shall be notified to ESO Management immediately following the closed session in which the election took place.

2. If the Chair is temporarily unable to fulfil her/his functions or has a conflict of interest during a meeting, the Vice-Chair shall act in her/his stead.

3. In the event of resignation or permanent unavailability of the Chair, the Vice-Chair shall act as Chair until the end of the term of office of the original Chair, unless the Users Committee decides to elect a new Chair.

4. If the Vice-Chair is temporarily unable to fulfil her/his functions or has a conflict of interest during a meeting, the most senior from amongst the longest serving delegates shall act as Vice-Chair in her/his stead.

5. In the event that neither the Chair nor the Vice-Chair are able to attend a meeting of the Users Committee, the meeting shall be opened by the most senior from amongst the longest serving delegates, who shall immediately invite the Users Committee to elect an ad hoc Chair. The ad hoc Chair shall then preside over the meeting while the Chair and Vice-Chair are absent.

1. The Users Committee shall meet once a year, which shall normally be immediately after the Scientific and Technical Committee meeting which is held in April of each year. Exceptionally the Director General and the Chair of the Users Committee in agreement may modify the date if so justified by other events at ESO.

2. Upon proposal of the Chair of the Users Committee to the ESO Management, a mid-term teleconference among the members of the Users Committee and ESO representatives shall take place between five to seven months after the last Users Committee meeting.

An open meeting or session may be attended by the members of the Users Committee, the Director General assisted by such members of personnel of the Organisation as (s)he deems necessary and, at the invitation of the Director General, by other persons whose presence is required for the discussion of selected items in the agenda. Open meetings or sessions shall be recorded.

2.3 A Special Topic shall be selected each year by ESO in consultation with the Chair of the Users Committee for discussion on the basis of its relevance to the current performance of the ESO Observatories, or the imminent availability of a new facility of interest to the ESO users’ community. Preference shall be given to topics on which ESO is particularly interested in seeking feedback from the users’ community.

2.4 The Special Topic session shall be open and shall consist of presentations given by ESO and, whenever it applies to the selected item, by at least two representatives of the users’ community with ample experience in that topic, who have been invited by ESO after consultation with the Chair of the Users Committee.

3. Where documents and other communications subject to deadlines have to be transmitted, the relevant deadline shall be deemed to be met if within the time limit the documents or other communications are transmitted by e-mail or made available on the internet link provided by the Secretariat.
