Win a trip to visit the **ESO Very Large Telescope on Cerro Paranal in Chile**, and many other fantastic prizes! This exciting international competition for school students is run by ESO (the European Organisation for Astronomical Research in the Southern Hemisphere) and the EAAE (European Association for Astronomy Education).

Choose from three different competition categories:

**Catch a Star Researchers:**
Write about an astronomical topic or object, such as a star, galaxy, comet, planet, moon, or nebula. Projects must be written in English, and prizes are awarded by an international jury.

**Catch a Star Adventurers:**
Similar to Catch a Star Researchers, but entries do not have to be written in English, and prizes are awarded by lottery.

**Catch a Star Artists:**
Make a drawing or painting for the artwork competition. Prizes are awarded with the help of a public web-based vote.

**Competition opens:** September 2007  
**Submission deadline:** 29 February 2008
