

ESO Studentship Programme at a glance

**Application deadlines:
May 15 and November 15**

WHO?

Students enrolled in a Ph.D. programme in astronomy or related fields. Students accepted into the programme **work on their doctoral project** under the formal **supervision of their home university**, but they come to ESO to work and study under the **co-supervision of an ESO staff astronomer**.

WHERE?

Studentships may be hosted either at ESO's headquarters in **Garching** (Germany) or at ESO's offices in **Santiago** (Chile).

HOW LONG?

One to two years

HOW TO APPLY?

Please include the following documents in your **application**:

- a **Curriculum Vitae** (including a list of publications, if any)
- copies of your **university transcript** and certificate(s) or **diploma(s)**
- a **summary of your master's thesis project** (if applicable) and ongoing projects, indicating the title and the supervisor (maximum half a page)
- an outline of the **proposed Ph.D. project** highlighting the advantages of coming to ESO (recommended one page, maximum two)
- two **letters of reference**, one from the home institute supervisor and one from the ESO local supervisor
- a **letter from the home institute** that
 - i) **guarantees the financial support** for the remaining Ph.D. period after the termination of the ESO studentship,
 - ii) indicates whether the **requirements to obtain the Ph.D.** degree at the home institute are already fulfilled.

Apply via the ESO recruitment portal: <https://jobs.eso.org/>

DATES

Before May

And November: Contact ESO supervisor well in advance of the application deadline in order to coordinate your research project jointly with your home institute supervisor

May 15 & Nov 15: Closing date for applications
